ring

Always home.

MEDIA KIT - THE RING VIDEO DOORBELL

PRODUCT OVERVIEW:

Never worry about missing a visitor again thanks to the Ring™ Video Doorbell. The device streams live audio and video of a home's front doorstep directly to a smartphone or tablet, allowing homeowners to stay connected to their homes whether in the kitchen or across town. The Ring Video Doorbell installs in minutes, with no professional help or tools required, and can be accessed through the free Ring app on any iOS or Android device.

No need to wonder if something is going on outside your home, see for yourself. Built-in motion sensors detect activity on your property and trigger instant mobile alerts, giving you the ability to know what's going on even if you aren't there. The powerful sensors cover an 180 degree field of view and up to 30 feet in range, but are also custom configurable by zone for your property, ensuring you receive only meaningful notifications. Miss a notification? Simply access recorded footage through a smartphone or computer at anytime thanks to Ring's cloud recording. Ring blends convenience, monitoring, and security into one sleek, simple and powerful wireless doorbell. With Ring, you're always home.
